From: Commander, Marine Corps Air Bases Western Area
To: Officer in Charge of Construction, Southwest

Subj: TECHNICAL REVIEW COMMITTEE

Ref: (a) Superfund Amendments and Reauthorization Act of 1986
(SARA)

1. Chapter 160, Section 2705 (c) of reference (a) requires that a technical review committee (TRC) be established to review and comment on the actions taken to document the type and extent of contamination at sites undergoing study in the Installation Restoration (IR) program for Marine Corps Air Stations at El Toro and Tustin.

2. Request you designate one individual to represent your command on the TRC. Please submit your representative to this command (Code 1JG) by 15 April 1988.

3. The TRC will consist of representatives from the following organizations:

- a. MCAS El Toro Environmental Office
- b. MCAS Tustin
- c. OICC, Southwest
- d. COMCABWEST Counsel
- e. MCAS El Toro Public Affairs Office
- f. California Regional Water Quality Control Board, Santa Ana Region
- g. Orange County Water District
- h. Department of Health Services, Toxic Substances Control Division
- i. U.S. EPA, Region IX
- j. Orange County Health Care Agency
- k. City of Tustin
- l. City of Irvine
- m. County of Orange

4. A meeting will be held on 27 April 1988, at MCAS El Toro at 1400 in building 65. At this time, the plan of action for the IR Confirmation Study will be reviewed by the TRC.

5. Point of contact on this matter is Ensign Michael Rehor, MCAS El Toro Environmental Director, at AUTOVON 997-2821.
