Mr. Scott Simpson
Department of Health Services
Toxic Substances Control Division
107 South Broadway, Room 7011
Los Angeles, California 90012

Dear Mr. Simpson:

Enclosed is a copy of the Navy's Plan of Action we propose to follow to determine if past waste generation and/or disposal activities conducted at the Marine Corps Air Station (MCAS), El Toro contributed to trichloroethylene contamination observed in The Irvine Company's agricultural wells. This copy is submitted for your timely review and comment.

In order for us to have sufficient time to review your comments, we must receive them by 8 May 1987. We have scheduled a meeting for 1330, 20 May 1987, in Building 368 at MCAS El Toro, to discuss this plan and all comments. Your attendance would be greatly appreciated.

All comments should be forwarded to:

Mr. Ernest Cerini
