Riverside, California 92507

Dear John:

Subject: Approval of Position Papers Prepared as Part of the Data Quality Objectives Process at MCAS El Toro

At the July 6 and 7, 1993, Data Quality Objectives (DQO) meeting several position papers were distributed to you for your review. In order to continue to make progress on the DQOs, we need feedback from you. Please give me your approval or comments by August 4, 1993. That way, we will have a week to revise the papers if necessary before the next DQO meeting on August 12 and 13, 1993.

The following papers need your attention:

1. Chemicals of Potential Concern
2. Chemicals to be Investigated During Phase II
3. Background Concentrations in Surface Soils
4. Redefinition of Operable Units
5. Petroleum Hydrocarbons in Subsurface Soils
6. Human Health Evaluation of Sites with Potential Petroleum Hydrocarbon Contamination
