Southwest Division
Naval Facilities Engineering Command
Environmental Division, Code 1831.LMH
1220 Pacific Highway
San Diego, CA 92132-5190

Dear Ms. Hornecker:

As we discussed this date with regard to our proposed Alton Parkway project and the Magazine Road Landfill, attached are the following:

1. One Copy of the August 9, 1991 Phase I Hazardous Materials Site Assessment, 50-Acre Parcel of the El Toro Marine Corps Air Station.
2. One copy of the August 9, 1991 Phase I Hazardous Materials Site Assessment, Area of Proposed Extension of Alton Parkway.
3. One copy of the August 9, 1991 Phase II Preliminary Subsurface Investigation to Assess the Potential Migration of Hazardous Materials From An Adjacent Landfill to the Borrego Canyon Wash Bordering the Planned Extension of Alton Parkway.

We look forward to meeting with you at 9:30 AM on Thursday, July 28th, at Building T-2009 on the USMC Air Station, El Toro.

Please call me at 714-834-3467 if you have questions.

Very truly yours,

Bob Rende, Manager
Transportation/Special Districts
