Re: Extension Request for MCAS El Toro

Dear Mr. Pawlisch:

This letter follows up on my January 25, 1995 letter to you, written in response to your letter dated December 29, 1994 which requested extensions of the deadlines for Operable Units (OUs) 2 and 3 set forth in Appendix A of the Federal Facility Agreement (FFA) for Marine Corps Air Station (MCAS) El Toro.

I understand that our organizations are close to reaching agreement on revised FFA schedules for MCAS El Toro and that some additional time is needed to finalize the details of our agreement. To this end, this letter acknowledges the mutual agreement made during telephone conversations today between Jane Diamond, Dana Sakamoto, John Scandura and Juan Jimenez that the deadline for the regulatory agencies to respond to your December 29, 1994 letter has been further extended to March 10, 1995.

If this letter does not accurately reflect your understanding of the agreement made, please notify Bonnie Arthur immediately at 415/744-2389, as our response to your letter is currently due on February 24.

Sincerely,

Julie Anderson
