

**DEPARTMENT OF TOXIC SUBSTANCES CONTROL**Region 4  
245 West Broadway, Suite 350  
Beach, CA 90802-4444

February 19, 1993

Mr. Andy Piszkin  
Remedial Project Manager  
Southwest Division  
Naval Facilities Engineering Command  
Code 1811  
1220 Pacific Highway  
San Diego, California 92132-5190

Dear Mr. Piszkin:

MARINE CORPS AIR STATION, EL TORO, CALIFORNIA

Pursuant to the notification requirements in Section 21 of the Federal Facilities Agreement, the California Department of Toxic Substances Control (Department) hereby announces a new Project Manager for Marine Corps Air Station, El Toro. Effective as of February 8, 1993, the new Department Project Manager is:

Mr. Joe J. Zarnoch  
Federal Facilities Unit  
Site Mitigation Branch  
Department of Toxic Substances Control  
245 West Broadway, Suite 350  
Long Beach, California 90802-4444  
(310) 590-4878 FAX (310) 590-4922

Mr. Zarnoch replaces Mr. Manny Alonzo as Project Manager.

If you have any questions concerning this matter, please contact Mr. Joe J. Zarnoch at (310) 590-4878.

Sincerely,

A handwritten signature in cursive script that reads "Greg Holmes".

Greg Holmes  
Unit Chief  
Site Mitigation Branch
