RE: El Toro MCAS File Search

Dear Mr. Nuzum:

Per our phone conversations of March 14 and 21, 1990, this is a request to obtain a copy of your FY-89 and FY-90 correspondence files relating to the El Toro Marine Corps Air Station. These files were reviewed by EPA on our January 22, 1990 file search of the El Toro MCAS files at your office. We understand that copies of all the other files we requested from your office on January 22 and from the El Toro MCAS facility on January 24 have been sent to us already. We appreciate your cooperation.

If you have any questions concerning this request please contact me at (415) 334-1248.

Sincerely,

A handwritten signature in cursive script that reads "John A. Hamill".
