**COMMENTS ON DRAFT QUALITY ASSURANCE PROJECT PLAN (QAPP)  
FOR GROUNDWATER REMEDIATION PILOT TEST AT MARINE CORPS  
AIR STATION (MCAS) EI TORO**

Dear Mr. Joyce:

The Department of Toxic Substances Control (DTSC) has completed the review of the above subject document dated June 1997, prepared by Bechtel National Inc. The draft QAPP was prepared to assure that the data collected during performance of the groundwater remediation pilot test work at Site 24 are precise, accurate, representative, complete, and comparable to actual site conditions. Also, they meet the criteria of technical project procedures during sample collection, sample analysis, and data evaluation.

Overall, the document is well written and acceptable. If you have any questions, please call me at (562) 590-4891.

Sincerely,

Tayseer Mahmoud
