BRAC Environmental Coordinator  
U.S. Marine Corps Air Station - El Toro  
P. O. Box 95001  
Santa Ana, California 92709-5001

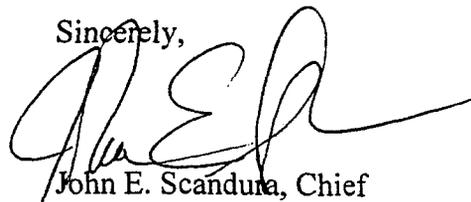

Dear Mr. Joyce:

**PROPOSED POST RECORD OF DECISION SCHEDULE, OPERABLE UNIT  
(OU)-2A, SITE 24 (VADOSE ZONE), MARINE CORPS AIR STATION (MCAS)  
EL TORO**

The Department of Toxic Substances Control (DTSC) has received your letter dated November 20, 1997 for Site 24 (Vadose Zone) Remedial Design/Remedial Action schedule. The letter contains a revised schedule based on our November 5, 1997 BRAC Cleanup Team conference call regarding your earlier schedule submitted to the agencies on October 20, 1997. DTSC concurs with the United States Environmental Protection Agency (USEPA) on the new schedule of deliverables and we hereby approve it. We also concur with USEPA that a Contingency Plan is necessary to protect the local affected community in the event of an accident or emergency.

We look forward to working with you to facilitate cleanup efforts at Marine Corps Air Station El Toro. If you have any questions, please call Mr. Tayseer Mahmoud at (562) 590-4891.

Sincerely,

John E. Scandura, Chief  
Southern California Operations  
Office of Military Facilities
