RE: Proposed Schedule, OU-1 and OU-2A, IRP Sites 18 and 24, Marine Corps Air Station, El Toro, dated July 18, 2002

Dear Mr. Gould:

EPA has reviewed the proposed schedule for Remedial Design and Remedial Action for Sites 18 and 24. We appreciate that the Navy, as well as Irvine Ranch Water District and Orange County Water District, were available to discuss the schedule and associated questions at the BCT meeting held on July 31, 2002. EPA finds the schedule acceptable as proposed and has no comments.

If you have any questions, please call me at (415) 972-3012.

Sincerely,

A handwritten signature in cursive script, appearing to read "Nicole G. Moutoux".
