Irvine, CA 92619 -1718

## COMMENTS ON DRAFT WORK PLAN, REMOVAL SITE EVALUATION (RSE), ANOMALY AREA 3, FORMER U. S. MARINE CORPS AIR STATION, EL TORO

Dear Mr. Gould:

We have completed our review of the above-referenced document, dated January 2002, which we received on January 9, 2002. The proposed activities are collection of soil vapor, soil, groundwater, surface water, and sediment samples for laboratory analyses, in order to evaluate the impacts due to waste placement activities. Trenching will also be conducted to confirm the lateral limits of the waste placement.

Based on the information in the report, we concur with the proposed work plan

If you should have any questions, please call me at (909) 782-4498, or send e-mail to [phannon@rb8.swrcb.ca.gov](mailto:phannon@rb8.swrcb.ca.gov).

Sincerely,

Patricia A. Hannon  
SLIC/DoD/AGT Section
