Dear Mr. Joyce:

**REQUEST FOR EXTENSIONS TO THE FEDERAL FACILITY AGREEMENT
(FFA) SCHEDULES, PROPOSED POST RECORD OF DECISION SCHEDULE,
SITE 24, MARINE CORPS AIR STATION (MCAS) EI TORO**

The Department of Toxic Substances Control (DTSC) has received your request for FFA schedules extension via a facsimile on November 20, 1997. However, the request was only addressed to the United States Environmental Protection Agency. Per Section 9.1 of the FFA, all requests by a Party will be submitted to all Parties involved in a concurrent and timely-manner. The extension request should be addressed to all three regulatory agencies signatories, according to the FFA. Therefore, we request that you address your request to DTSC and the Santa Ana Regional Water Quality Control Board.

As you may recall, DTSC sent you a letter on March 20, 1997 to remind you that the extension requests should be addressed to all FFA signatory agencies. A copy of that letter is enclosed. This is to remind you again that any request for schedule changes must be addressed to all three regulatory agencies.

We will respond to your extension request when we receive a request properly addressed to DTSC. Thank you for your cooperation. If you have any questions, please call me at (562) 590-4891.

Sincerely,
