**COMMENTS ON FORMER WATER SUPPLY WELL AW-2, FORMER MARINE
CORPS AIR STATION, EL TORO, GEOTRACKER NO. T0605964530**

Dear Mr. Weissenborn:

We have reviewed the above referenced document, dated 26 April 2007, which we received on May 4, 2007.

The information package contains the analytical results of a groundwater sample collected on April 5, 2007. The groundwater sample was taken from the former water supply well at our request. We concur with your recommendations for no further sampling of the well and decommissioning of the well.

For any questions, please call me at (951) 782-4494, or send email to jbroderick@waterboards.ca.gov.

Sincerely,

John Broderick
