Draft Final Fact Sheet for IRP Sites 3 and 5 - MCAS El Toro

Mary-

Attached is a copy of the Draft Final Fact Sheet for IRP Sites 3 and 5 to describe the upcoming fieldwork to cap the two landfills at MCAS El Toro. DTSC and RWQCB have provided no comment/comments incorporated e-mails on the Draft Final Fact Sheet. Rich Muza reviewed the Draft Fact Sheet and did not have any comments on the document (see attached e-mail). Please review the Draft Final Fact Sheet and provide comments, if any, so we can proceed with the Final Fact Sheet (scheduled to be issued in July 2009). I appreciate your assistance in advance.

Thanks-

Marc P. Smits PE
