

# TO REVIEW asset mix early

BLOOMBERG NEWS

The California Public Employees' Retirement System will review the distribution of its investments sooner than usual because of market conditions, Chief Investment Officer Joseph Dear said.

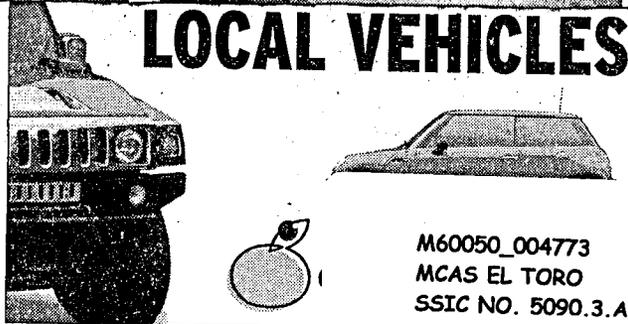

"We normally do it every three years," Dear said in an interview with Bloomberg Television on Tuesday from the Council of Institutional Investors' spring conference in Washington. "That would be next year, but because of the ex-

traordinary conditions we're confronted with, we will take a look with our

**FORMER  
MARINE CORPS AIR STATION EL TORO  
Restoration Advisory Board Meeting**

Restoration Advisory Board (RAB) meetings provide community members and the general public a first-hand opportunity to learn more about the environmental cleanup of Former MCAS El Toro. Project managers from the Navy and the regulatory agencies make presentations and are available to answer your questions. Since 1994, concerned citizens and government representatives have been regularly meeting to discuss the environmental cleanup program. Your input is encouraged and appreciated. Please note "NEW" meeting location.

### Introducing Motion™ ... the hearing aid for people who are too busy living

When you visit, ask us about the amazing Siemens Motion™ hearing aid. Amazing, because you get a lot of active lifestyle features in a surprisingly small package. Features like automatic reduction of background noise, so you can hear conversation in busy places, without interference. And a learning feature that remembers and applies your preferred volume, bass and treble settings, so you hear more naturally — no need to fiddle with controls. Your Motion hearing aids can even be equipped with the optional Tek™ enhancement, which streams audio from a TV, radio, phone or other device directly, without wires, into your ears. Now that's amazing... and then some!

Take advantage of these great offers!
