RE: MCAS - EL TORO
Subject: RAB's Response to City of Irvine's Letter of September 12,
1995
Our File No.: 9999-17

Dear Mr. Joyce:

At the last MCAS El Toro Restoration Advisory Board meeting on October 26, 1995, the Board reviewed a letter from the City of Irvine dated September 12, 1995.

The City of Irvine's letter asked the RAB to revise "the draft EE/CAs for sites for 7, 11, 13, 14, 19 and 20 to indicate a commitment that federal cleanup will be to pre-MCAS El Toro development levels". The Board discussed the City of Irvine's request and rejected their proposal. You indicated that you would prepare a letter responding to the City of Irvine reflecting the Board's action and comments.

As a member of the Board, I see the issue of remediation standards as a crucial element of RAB's obligation to "accelerate and cleanup the property transfer of MCAS El Toro". Would it be possible for you to submit your proposed response to the City of Irvine for the Board's review at our next meeting?

Very truly yours,

GREGORY F. HURLEY
RAB Member
