Commander Fong - I think Mr. Dean's memo speaks for itself and I have no additional comments on behalf of EPA. I do not plan to submit an additional letter and hope this email will suffice. -Claire Trombadore

CDR Fong:

I have no further comments to the Hunters Point HRA. Attached is the memo that I sent to EPA's RPM notifying her of this. She will probably notify you officially in writing ASAP.

Thank you,
Steve M. Dean
