Commander, Western Division
Naval Facilities Engineering Command
P.O. Box 727
San Bruno, CA 94066
(Attention: Alex E. Dong, 1146)

SUBJECT: MILCON SITES, NAVAL STATION TREASURE ISLAND, HUNTERS POINT ANNEX

Dear Mr. Dong:

Subsequent to the briefing held at Treasure Island on February 5, 1988, staff of the Regional Board have reviewed the following Work Plans for Site Studies at Proposed Military Construction Sites:

1. Administrative and Training Facility (P-904)
2. North Pier Modification (P-930)
3. Public Works Shop/Operations and Maintenance Facility (P-903A/P-603)
4. Physical Fitness Facility (P-904)
5. Electric Utility Improvement (P-920)
6. Medical/Dental Facilities (P-137)
7. Auto Repair Work Shop (p-903B)

Staff of the Regional Board have no objection to your proceeding with these seven specific workplans for soil and groundwater investigations at the MILCON Sites. We will review the results of these studies and recommend additional pollution investigations where appropriate.

Please contact William Hurley or me at the Regional Board if there are any questions.

Sincerely,

Lester Feldman
