Dear Mr. Dong:

In response to your request for comment on the draft Community Relations Plan for the RI/FS at Hunters Point Annex, here are some brief comments.

INTRODUCTION - Here I'd like to see a little more specific information on community concerns. If these seem to be minimal, state this.

CR BACKGROUND - More detail on socioeconomic/political background of community

Quantify perceived level of community interest in general (low/medium/high?)

OBJECTIVE OF CR PROGRAM - More specifics on who you are targeting as key individuals/groups in your CR efforts (church groups, clubs, neighborhood organizations, etc.), where you plan to hold meetings, how mailing list was/will be developed

TECHNIQUES - Try to be more specific as to when these activities (meetings, fact sheet production, etc.) will likely be held based on your current RI/FS schedule.

Once again, I apologize for the delay in responding to your letter. If you have any questions regarding these comments, please feel free to call me at (415) 974-7730.

Sincerely yours,

Mark Rathbun
