Dear Ms. Zoback:

I would like to thank you and the U.S. Geological Survey (USGS) for agreeing to review enclosure (1) for us and to provide us your assessment of our approach to evaluate liquefaction potential associated with the Parcel E landfill, Hunters Point Shipyard. I understand that Mr. Tom Holzer of your office will be performing this evaluation on behalf of the USGS. Should Mr. Holzer have any questions during this review, he may contact Mr. Charles Mazowiecki, our project manager, at (619) 532-0902 or me at the number below. The Navy would appreciate comments to be received by February 7, 2002. You may also e-mail the comments to me at [machrg@efdswnavfac.navy.mil](mailto:machrg@efdswnavfac.navy.mil).

Should you have any concerns with this matter, please contact me at (619) 532-0913. Thank you again for assisting the Navy in this extremely important project.

Sincerely,
