**EXTENSION OF DEADLINE, GROUP II SITES SAMPLING PLAN**

Dear Mr. Tung:

We have received your request for an extension of the deadline for the Group II Sites Sampling Plan. It is unfortunate that you did not receive our initial comments in a timely manner, but we must point out that this delay was through no fault of our own. Our own records show that the comments were mailed to you on September 23, 1988. However, we will grant the extension. Please submit the final Group II Sites Sampling Plan by November 18, 1988.

If you have any further questions, please contact William Owen of my staff at (415) 540-2592.

Sincerely,

*Susan Solary for H. Hatayama*
