Dear Mr. Flippo and Mr. Malinowski:

In accordance with Section 7.7 (f) of the Hunters Point Annex Federal Facility Agreement, the Navy is hereby notifying you that the Navy is extending the response period on the Environmental Sampling and Analysis Plan (ESAP) for Hunters Point Annex, dated August 28, 1990, by thirty days. We plan to provide the draft final version of this document no later than January 30, 1991.

In addition in accordance with Section 9, the Navy requests a 60 day extension of the due date for the revised Public Health and Environmental Evaluation (PHEE) plan. This extension request is made because the award of the contract to prepare the Draft PHEE Plan was contingent on the receipt of our first quarter FY91 Defense Environmental Restoration Account Funds. As we received our DERA funds just this week, we are only now in a position to award the contract. We plan to provide the draft revised PHEE no later than February 15, 1991.

Should you have any questions regarding this matter, the point of contact is Commander, Western Division, Naval Facilities Engineering Command (Attn: Louise T. Lew, Code 1811, (415) 244-2551.)

Submit written comments if any to Mr. Eddie Sarmiento, Commanding Officer, Naval Station Treasure Island, Building 1 (Code 84), San Francisco, CA 94130, with a copy to Western Division, Naval Facilities Engineering Command (Louise T. Lew, Code 1811, 900 Commodore Drive, San Bruno, CA 94066).
