Dear Mr. Sarmiento:

**DHS COMMENTS ON THE DRAFT FINAL REMOVAL ACTION WORK PLAN FOR THE
PICKLING AND PLATE YARD (VOLUME 1) AT HUNTERS POINT ANNEX**

On May 10, 1991, the Department of Health Services (DHS) received a copy of the Draft Final Removal Action Work Plan for the Pickling and Plate Yard (Volume 1), for Naval Station, Treasure Island, Hunters Point Annex, for review and comment.

The DHS approves of the above referenced work plan, contingent upon the completion of two corrections noted below:

1. On page 7 of Appendix A, it was stated that STLC values were added to Table 3, but Table 3 does not show STLC values.
2. On Tables 2 and 3, the sample collection dates are noted as June 16, 1990 and June 16, 1989. Please check the accuracy of these dates.

If you have any questions regarding this letter, please contact me at (415) 540-3816.

Sincerely,

A handwritten signature in cursive script that reads "William L. Brown".
