On April 26, 1991, the Department of Health Services (DHS) received a copy of the Navy's response to our comments, dated April 22, 1991, on the Draft Final TIMP for Naval Station, Treasure Island, Hunters Point Annex.

The DHS has reviewed the above referenced document and finds the response adequate. We approve the Draft Final document as modified by the April 22, 1991 revisions.
