Dear Mr. Ramos:

**HUNTERS POINT ANNEX (HPA) SUPPLEMENTAL ESAP DATA SUBMITTAL AND
DATA VALIDATION ANALYSIS**

We are in possession of a letter dated August 17, 1993 relative to the above subject sent to you by Mr. Cyrus Shabahari, Project Manager, Site Mitigation Branch, Department of Toxic Substances Control, Region 2, 200 Heinz Ave., Suite 200, Berkeley, CA 94710-2737.

Since the above mentioned letter of August 17th is the very first time we were made aware of the ongoing ecological investigation at subject site, it is obvious that we have been left out of the normal mailing list for subject action. Therefore, please forward to us all material relevant to, or so far developed, in connection with the ecological investigation for Hunters Point Annex.

Should you have any questions pertaining to this matter, please call me at (408) 649-7178 or my Assistant, Mr. Norman Rial at (408) 649-7195.

Sincerely
