Dear Mr. Powell:

**DRAFT FINAL ENGINEERING EVALUATION/COST ANALYSIS STORM DRAIN
SYSTEM, HUNTERS POINT ANNEX**

The Department of Toxic Substances Control (Department) has reviewed the above report and responses to comments. Despite assurances from the Navy, the Department has found the responses to be inadequate, inappropriate and incomplete. On June 18, 1996 the agencies and the Navy and its contractors met to discuss and resolve the specifics. In that meeting, the Navy agreed to revise the above report to reflect the changes sought by the Department and the US EPA. The Department hopes that similar issues will be incorporated in other removal action reports.

Should you have any questions regarding this letter, please call me at (510) 540-3821.

Sincerely,

A handwritten signature in black ink that reads "Cyrus Shabahari".
