Dear BCT Members:

Enclosure (1) is Appendix H "Final MPPEH Procedures, Revision 1" of the *Work Plan Addendum Time-Critical Removal Action for the PCB Hot Spot Area at Parcel E-2, Hunters Point Shipyard, San Francisco, California, June 17, 2010*. The Work Plan Addendum was issued in June 2010 (Document Control Number: SHAW-8822-0005-0057.A1/F, dated June 17, 2010). Appendix H was originally issued on September 16, 2010. This revised appendix includes acceptance sampling procedures for materials potentially presenting an explosive hazard (MPPEH) soil screening. Enclosed please find a revised hard copy of Appendix H for incorporation into your existing binder.

Enclosure (2) is a CD-ROM which includes an electronic copy of the entire updated Work Plan Addendum document and should replace the previously mailed out document CD-ROM. Please replace the CD-ROM contained behind the last binder tab with Enclosure (2).

If you have any concerns with this matter, please contact Lara Urizar at (619) 532-0960, or me at (619) 532-0913.

Sincerely,

A handwritten signature in black ink, appearing to read "Keith Forman", with a long horizontal flourish extending to the right.

KEITH FORMAN
BRAC Environmental Coordinator
By direction of the Director
