Dear Maria:

As requested, this letter should provide some clarification concerning the Naval Station, Long Beach. The 1991 Defense Base Closure and Realignment Commission recommended the closure of the Naval Station, Long Beach and the supporting Naval Hospital, Long Beach. Specifically, the language states that "Ship support functions and a parcel of land will be transferred to the naval shipyard." The Naval Station will be disestablished on September 31, 1994 and all property contiguous to the Naval Shipyard will be transferred pursuant to the recommendation.

If you have any additional questions, please contact the undersigned at (619) 556-0771.

Sincerely,

KIMBERLY KESLER  
Base Closure Manager  
By direction of  
the Commanding Officer
