You are invited to attend a meeting to discuss the Site 6A project for the Naval Station Long Beach. Suggested dicussion items/issues are as follows:

- Decision maker/team for selecting the removal action
- Justification for a time critical removal action
- Project briefing to upper management (Codes 09, 09B, 18, 60)
- Outstanding issues with POLA

Meeting Date & Time: Friday, 14 Jan 94, 9:30 a.m.  
Location: BRAC Program Office  
Fifth Floor, San Deigo National Bank

This is a highly political sensitive project. Although I know everyone has a very busy schedule, it's critical for us to meet now. In addition, it can be a nightmare trying to reserve a confernce room in SWDIV. Thank you for your understanding and support.
