Subject: Draft Remedial Investigation (RI) Report; Installation Restoration Program,
Site 7 Naval Station Long Beach
Long Beach, CA - CTO-0026

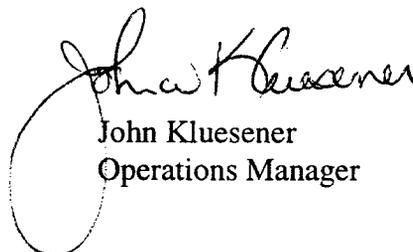

Dear Mr. Kennedy:

Enclosed please find four (4) copies of the text for the Draft Remedial Investigation Report referenced above. The Draft RI Report was prepared after BNI's receipt and resolution of SWDIV and LBNSY comments on the Pre-Draft RI Report. Copies of the Draft RI Report are being forwarded to the technical oversight agencies for their review and comments. The Draft RI Report will be finalized and the Final RI Report will be developed upon receipt of agency comments by BNI and resolution of those comments.

Please note that the Appendices have remained unchanged from Pre-Draft RI Report. On this basis, and as agreed by M. Radecki (RPM), BNI has forwarded to SWDIV only the text, figures and tables, where modifications were made in response to SWDIV review comments.

Should you have any questions or need additional information, please call Omer I. Kadaster at (310) 807-2178 or me at (619) 687-8716.

Very truly yours,

John Kluesener
Operations Manager
