DRAFT ADDENDUM SAMPLING REPORT FOR NINE GROUP B AREAS OF CONCERN, FORMER LONG BEACH NAVAL SHIPYARD, LONG BEACH, CALIFORNIA (FILE No. 90-75)

Dear Mr. Rollefson:

We have received and reviewed the Navy's *Draft Addendum Sampling Report for Nine Group B Areas of Concern, Former Long Beach Naval Shipyard, Long Beach, California*, dated August 19, 1999. The report transmits the results of the additional soil and groundwater sampling activities completed at AOC SSS1 and AOC SWS2 located at the above referenced site. Your report recommends no further action for these two sites. Regional Board staff concurs with the Navy's recommendation for no further action. We have no other comments on the draft report.

You are authorized to finalize the draft document as proposed. If you have any questions, please contact me at (213) 576-6738.

Sincerely,
