RESTORATION ADVISORY BOARD

WHO: Everyone Welcome
WHEN: November 28, 2001 at 6:30 p.m.
WHERE: City of Long Beach Gas Department, 2400 East Spring Street

The Department of the Navy (Navy) has partnered with environmental agencies and the community to coordinate the environmental restoration and cleanup of the Long Beach Naval Complex (LBNC) under the Navy's Installation Restoration (IR) Program. The LBNC established a Restoration Advisory Board (RAB) for the IR Program in April of 1994. The RAB normally meets every other month. The meeting is **OPEN TO THE PUBLIC** and is intended to provide an open forum for the community to attend and participate in all aspects of the environmental investigation and cleanup of LBNC.

Environmental documents associated with the IR program for LBNC are kept at the **Information Repository**, located at the Long Beach Public Library, Government Documents section. These documents are available for review by the public and other interested parties.
