Subj: COMMENTS ON FACT SHEET RECEIVED 02 JUN 93

1. Our comments are as follows:

a. Overall: Print clarity is fuzzy. Final must be clear "final print" quality.

b. Page 2, PREVIOUS INVESTIGATIONS, paragraph 2: Delete "of" in last sentence.

c. Page 3, in third paragraph of COMMUNITY RELATIONS PROGRAM, in the sentence starting "The TRC includes representatives ...", after City of Long Beach add: ", the City of Los Angeles"

d. On page 3, in "LONG BEACH NAVAL COMPLEX DESCRIPTION":

(1) Shouldn't the title be in bold green caps so it does not appear to be a subparagraph of "THE COMMUNITY RELATIONS PROGRAM"?

(2) In paragraph 4, replace "Naval Supply Center Detachment" with "Fleet and Industrial Supply Center".

(3) In paragraph 4, replace "Naval Supply Center San Diego" with Fleet and Industrial Supply Center San Diego".

(4) Recommend delete last sentence about Figure 1 from this Long Beach Naval Complex Description. The reader was already invited to look at Figure 1 in the first paragraph of "PREVIOUS INVESTIGATIONS".

e. On page 4, "HOW THE IRP WORKS", in 4th paragraph: The first sentence needs to be reworded. Perhaps replace the first comma with the word "where".

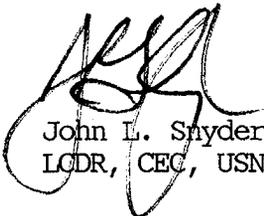

f. On page 5, in last box, capitalize the word "well".

g. I would not mind that my telephone number is missing on back page, but it might look like I am unreachable. My phone number is 310/547-7513.

h. On back page:

For both Shipyard and for Naval Surface Group, change from "Commanding Officer" to "Commander,".

Replace "Commander, Long Beach Naval Station" with "Commanding Officer, Naval Station Long Beach".
