SSIC #5090.3

Date: 17 May 93

From: NAVAL STATION LONG BEACH
To: SOUTHWESTNAVFACENGCOM Code 1823.AH;

Subj: COMMENTS ON FACT SHEET RECEIVED 30 APR 93

1. Our comments are as follows:

a. Fact Sheet was to include an invitation to the Public Meeting on 23 June 1993, per our last meeting discussions.

b. Fact Sheet, was to be dated, per our last meeting discussions.

c. In all references to the Supply Center, change to Fleet and Industrial Supply Center (FISC).

d. On page 2, in "Previous Investigations", second paragraph, third sentence. This sentence about Navy being lead agency and DTSC being lead regulatory agency should be moved to first page, end of paragraph 2.

e. Page 2, first paragraph, last sentence: This sentence refers to Mole. Most people do not know what the Mole is. Suggest insert the words "breakwater known as the" between the words "the Mole" and indicate on map also.

f. Page 2: Remove blank space after "upcoming public comment periods".

g. Page 4, first paragraph, last sentence: States Figure 1 has 13 sites, but only 12 shown. Map is out of date for Mole site areas also.

h. Should Site 6B be shown now too?

i. Mailing List Coupon: Address for Mr. Ryan should read Long Beach Naval Shipyard, not Naval Shipyard Long Beach. Street name is misspelled, should be Skipjack.

j. Back page: Per our last meeting, Navy repository is to be Naval Station Long Beach, Library, Building 398, Long Beach, CA 90822-5000.

k. Back page: Address for Mr. Ryan should read Long Beach Naval Shipyard, not Naval Shipyard Long Beach.

l. Back page: Commander Surface Group address should read Naval Station Long Beach, not Long Beach Naval Station.

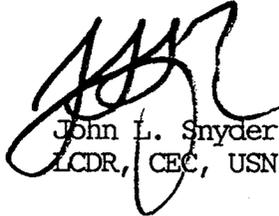

m. Back page: Claire Best's address is missing street name and number.

n. Back page: Below address blocks, delete erroneous reference to Marine Corps Air Station El Toro.

o. Back page: Points of contact should be uniform format; suggest:

Name of agency
Street address
City/State
Name
Phone Number

p. Page 1, first paragraph: Reference to CRP on page 4 should refer to page 2.
