SUBJECT: LONG BEACH NAVAL COMPLEX SITE 6A - JUNE 18, 1993 MEETING MINUTES

To Whom it Concerns:

On June 18, 1993, a meeting was held to discuss various issues regarding Site 6A of the Long Beach Naval Complex and proposed actions to be taken on the site. A brief description of the proposed Port of Los Angeles Pier 300 Project of the was given including a description of the proposed improvements which impact Site 6A.

Enclosed are minutes from the meeting to help clarify the various issues which were discussed and a sign in sheet of the attendees of the meeting.

If you have any comments or additional discussion items to be included in these minutes, please contact Betsy Mitchell at (310) 732-3975.

Sincerely,

DONALD W. RICE
Director of Environmental Management
