SITE WALK MEETING MINUTES AND WORKPLAN ADDENDUM NO. 2 INSERT FOR GROUP B AREAS OF CONCERN AT THE LONG BEACH NAVAL SHIPYARD, LONG BEACH, CALIFORNIA (FILE No. 90-75)

We have received and reviewed the *Site Walk Meeting Minutes And Workplan Addendum No. 2 Insert For Group B Areas Of Concern At The Long Beach Naval Shipyard, Long Beach, California*, dated December 3, 1998. Our comments are as follows:

- A total of seven sampling locations for Building 131 are proposed on page 9. However only five are shown on Figure 14. Please revise Figure 14 as appropriate.
- The soil sample for the sump at Warehouse A should be collected at or directly below the base of the sump. Also indicate whether the sump will be excavated as part of the ongoing compliance program.

If you have any questions regarding the above, please contact Hugh Marley at (323) 266-7669.
