Dear Ms. Lee:

This is in response to your letter of July 21, 1988 which forwarded your comments to Mare Island Naval Shipyard concerning the draft issue of a Sampling, Cleaning, and Inspection Plan for the Concord Annex Area to remove sludge from the storm drainage lines.

Field operations such as line flushing and TV inspection are completed. Sample analysis is anticipated to be completed by September 9, 1988. A draft report of the clean up operations is anticipated to be available for comment by September 30, 1988. Your comments concerning the contents of the draft issue of the Sampling Plan for the Concord Annex area have been forwarded to the contractor and have been used in directing field activities in progress. Your comments will also be formally included in the final issue of the subject Sampling Plan. Anticipated issue date of the subject Sampling Plan for comment is September 9, 1988.

Questions concerning the above may be directed to J. Pearson, Code 460.22, at telephone number (707) 646-3375.

Sincerely,

A handwritten signature in dark ink, appearing to read "W. J. Cornils", is written above the typed name.
