Dear Ms. Lee:

This letter is in response to your letter of July 19, 1988 concerning the schedule for operations to seal open borings which were drilled during a previous verification study.

Current efforts in conjunction with other government agencies and contractors, indicate that field work to mark borings will commence August 29, 1988; borehole sealing operations will commence September 13, 1988; borehole sealing operations will be completed by September 26, 1988; and certification of sealing will be completed September 27, 1988.

The above schedule is provided, in accordance with your request, so that you may view field work in progress.

Questions concerning this work or coordination efforts to facilitate your visit should be directed to J. Pearson, Code 460.22, telephone number (707) 646-3375.

Sincerely,

W.J. CORNILS
Head, Environmental Management Division
