RE: Designation of Primary Contact for Mare Island Project

Dear Mr. Dunaway:

Although you are already aware, this letter is to formally notify you that I will be taking over as the primary EPA contact for Mare Island, replacing Emily Roth. John Lucey will also be assisting me in the reviewing of Navy documents, working particularly on the Investigation Area H1 landfill issues and Weston's projects. Please add John to you distribution lists; his telephone number is (415) 972-3145.

If you have any questions, I can be reached at (415) 972-3150.

Sincerely,

A handwritten signature in cursive script that reads "Carolyn d'Almeida".
