SUBJECT: Comments on the *Draft Remedial Investigation and Feasibility Study for the Defense Reutilization and Marketing Office Site*, dated June 5, 2009, Former Mare Island Naval Shipyard, Vallejo, California

Dear Mr. Bloom:

Thank you for providing the Water Board with the *Draft Remedial Investigation and Feasibility Study for the Defense Reutilization and Marketing Office Site*, dated June 5, 2009.

While it is understood by the Water Board that remaining petroleum contamination at the site will be addressed under the Petroleum Program, this report make no mention of the petroleum contamination. Please include text that acknowledges the petroleum issues at the site, and reference the Petroleum Technical Memorandum (June 2009) and the Petroleum Corrective Action Plan (August 2009).

Additionally, the Water Board has reviewed and supports the comments provided by the Department of Toxic Substances Control.

Please contact me at (510) 622-2756 or pjorgensen@waterboards.ca.gov if you have any questions.

Sincerely,

Paisha Jorgensen, PG
Engineering Geologist
