RE: Draft Final SAP/QAPP, Soil and Groundwater Sampling at the Paint Waste Area,
Investigation Area 1 Reuses Parcel XVI, August 2004

Dear Mr. Dunaway:

EPA has reviewed your draft final SAP for the Paint Waste Area. It appears that our previous comments summarized in our letter of February 5, 2004 have all been addressed. We have no further comments on the plan. EPA has coordinated with DTSC and they are in agreement with this letter.

Thank you for the opportunity to review this report. If you have any questions, please call me at (415) 972-3150.

Sincerely,

Carolyn d Almeida
Remedial Project Manager
