Public Notice

**Public Comment Period for the
Administrative Record File for Hangar 1
(Former Naval Air Station Moffett Field)
Available for Review
November 14 to December 15, 2003**

The U.S. Department of the Navy invites the public to review the Administrative Record File for the NAS Moffett Field Hangar 1 project. The Administrative Record File contains the Action Memorandum and other documents related to the Navy's interim cleanup action at Hangar 1.

Public Review Period - The Navy is holding a 30-day public review period for the Administrative Record from **November 14 to December 15, 2003**. Comments on the Administrative Record should be directed to: Ms. Andrea Espinoza, BRAC Environmental Coordinator, Southwest Division Naval Facilities Engineering Command, 1230 Columbia Street, Suite 1100, San Diego, CA 92101, or via e-mail to: andrea.espinoza@navy.mil or by phone at: (619) 532-0911.

Comments provided to the Navy during this time period will be responded to and included in the Hangar 1 (interim cleanup action) Construction Completion Report that will be published in early 2004.

Hangar 1 was identified as a source of PCBs by the National Aeronautics and Space Administration's Ames Research Center (NASA) when PCBs were found in sediment surrounding NASA's storm water settling basin (located in the Eastern Diked Marsh). It was determined that PCBs from Hangar 1 were passing through the storm drain system and into the Eastern Diked Marsh.

The Navy, with concurrence from NASA and regulatory agencies, determined an interim cleanup action would be taken to protect human health and the environment until a final remedy can be determined. The interim cleanup action is designed to:

1. stabilize PCB-containing materials on the exterior of Hangar 1 through the application of an exterior coating, and
2. limit public access to Hangar 1 through installation of a fence around the site and limiting worker access.

Administrative Record File - The public can review the Administrative Record File for Hangar 1 at the Mountain View Public Library, 585 Franklin Street, Mountain View, CA 94041; (650) 903-6877. The entire Administrative Record File for the former NAS Moffett Field is maintained at Southwest Division Naval Facilities Engineering Command, 1220 Pacific Highway San Diego, CA 92132-5190. Documents from the file may be obtained by contacting the Administrative Records File Coordinator at (619) 532-3676 (reproduction fees may apply).

THE NAVY ENCOURAGES YOUR REVIEW
