Dear Mr. Chao:

As agreed to in our phone conversation today, EPA is taking a two week extension in our review of the Draft Final QAPP and FSP for Moffett Field NAS. The purpose of this is to informally resolve comments we made on the subject documents in our letter of April 16, 1992. As we discussed, I will expect to hear from you this week regarding the time for a conference call to resolve remaining issues. I can be reached at (415) 744-2385. Thank you.

Sincerely,

A handwritten signature in cursive script that reads "Roberta Blank".
