900 Commodore Way, Building 101  
San Bruno, California, 94066-2402

RE: Naval Air Station (NAS) Moffett Field, Draft Operable Unit 2 (OU2) Feasibility Study (FS)  
Report and Proposed Plan, CLEAN Contract Number N62474-88-D-5086, Contract Task  
Order 0170

Dear Stephen:

Enclosed please find three copies of the above referenced documents prepared by PRC Environmental Management, Inc. (PRC) in support of remedial activities at NAS Moffett Field. These documents are primary documents required by the Federal Facilities Agreement. Copies are also being submitted to the regulatory agencies for review.

As a concurrent submittal with the draft final OU2 remedial investigation (RI) report, the draft OU2 FS report is subject to revision based upon changes to draft final RI report. The draft final OU2 FS report is due on February 1, 1993 and will reflect (1) any modifications to the draft final OU2 RI report, (2) all agency comments on the draft FS report, and (3) all new data affecting the FS process.

As a reminder, agency comments on the draft OU2 FS and OU2 proposed plan are due in 60 days (December 4, 1992).

Please call me at (303) 295-1101 if you have any questions or comments.

Sincerely,

PRC Environmental Management, Inc.

Brian H. Werle
