Dear Mr. Chao:

This letter is to notify you that EPA is extending by 30 days the informal dispute resolution period for the dispute that we invoked in our September 17, 1992 letter to you. The parties to the Federal Facilities Agreement agreed to the need for such an extension in recent meetings because of the length of time needed to resolve technical issues under the dispute and because of the need to restructure operable units 2 and 4, which are the subject of the dispute. We plan to send a letter to you shortly outlining our position with respect to restructuring OU 2 and OU 4.

Please call me if you have any questions. I can be reached at (415) 744-2385.

Sincerely,

A handwritten signature in cursive script that reads "Roberta Blank".
