Dear Mr. or Ms. New RAB Member:

We are pleased to inform you that you have been selected as a member of the Restoration Advisory Board (RAB) for the Moffett Federal Airfield.

Following the RAB orientation meeting of October 13 and a review of the applications received, the RAB selection committee was very impressed with the community's diverse experience and high level of interest in our environment. The selection of members was based on an objective criteria with the purpose of representing the broad diversity of community interests. Your application was considered noteworthy for the contributions you would make as a member of this forum. The complete panel of RAB members are listed on Enclosure (1)

The selection committee consisted of representatives from the League of Women Voters, the City of Sunnyvale, the Silicon Valley Toxics Coalition, and the California EPA. We look forward to seeing you at the next RAB meeting sometime in January. A separate notice will be mailed as to the exact date, time, and location of that meeting.

We appreciate your interest and for volunteering your valuable time to participate in the environmental cleanup of Moffett Federal Airfield. For additional information, please contact Mr. Hubert Chan, Naval Facilities Engineering Command, Engineering Field Activity West, Environmental Office, at (415) 244-2562.

Sincerely,

Original signed by:

Stephen Chao
Brac Environmental Coordinator,
Moffett Federal Airfield
