Subj: MOFFETT FEDERAL AIRFIELD: BASELINE ENVIRONMENTAL REPORT

Encl: (1) Naval Air Station Moffett Field Baseline Environmental Report, June 1994  
(2) Categorical Exclusion for Transfer of Naval Air Station Moffett Field and  
Naval Auxiliary Landing Field Crows Landing

1. Enclosures (1) and (2) are forwarded for your information. The baseline environmental report (BER) was a preliminary data gathering tool in preparation for environmental planning analyses pursuant to the National Environmental Policy Act of 1969 (NEPA). The data compiled was from existing information as referenced. There are numerous environmental analyses, reports, studies, investigations, etc. that are on-going and were not included in this collection.

2. Pursuant to NEPA, a Categorical Exclusion was also completed for the transfer of Naval Air Station Moffett Field to National Aeronautical and Space Administration (NASA) and Onizuka Air Force Base in June 1994.

3. Four copies, one copy and one copy of Enclosures (1) and (2) were previously forwarded to the Middlefield/Ellis/Whisman Study Group (Dr. James McClure), NASA (Ms. Sandy Olliges), and the Navy's Environmental Office at Moffett Field, respectively.

4. Should you have any questions, please call Mr. Hubert Chan at (415) 244-2562.

Sincerely,
