Subject: Review Request for Additional Sites Investigation Phase II Draft Report

Dear Mr. Chao:

The cover letter that accompanied the copies of the Additional Sites Investigation Phase II Draft Report neglected to mention that the agency review time for the report is 45 days from the receipt of the report. The report was received by the concerned agencies on April 21, 1995; therefore the 45 day review period will expire June 6, 1994. I apologize for any inconvenience this may cause. Please contact me or Chris Petersen at (510) 975-3400 if you have any questions regarding this issue.

Sincerely,

John Dowdakin
Environmental Scientist
