Re: *Revised Final Operable Unit 6 Remedial Investigation*, dated March 5, 1996

Dear Mr. Chao,

The U.S. Environmental Protection Agency (EPA) has received the subject document. The responses to comments (dated March 5, 1996) were correctly incorporated. We concur with this final version of the document. We look forward to seeing the results from this remedial investigation utilized in the Station-Wide Feasibility Study, where technology screening occurs for the remediation of any remaining contaminated sites at Moffett Field. If you have any questions, please call me at 415-744-2385.

Sincerely,

A handwritten signature in cursive script that reads "Michael D. Gill".

Michael D. Gill
