Re: *Final Site 22 Additional Investigation Field Work Plan*, dated April 7, 1998

Dear Mr. Chao,

The U.S. Environmental Protection Agency (EPA) has received the subject document and the associated responses to comments. The comments were satisfactorily addressed and therefore we concur with this final document. We look forward to observing this field work and would appreciate hearing if the trenching dates change (presently set for April 28-29). If you have any questions, please call me at 415-744-2385.

Sincerely,
